**MEMORANDUM FOR:** Chief, Special Operations Division, DDP  
**SUBJECT :** Maritime Support

1. This office has a requirement for a small boat and outboard engine to support special water and seacoast survival training scheduled for the near future in the Florida area.

2. We prefer to obtain this equipment on a loan basis for a period of approximately one year.

3. My staff has discussed this requirement with your maritime personnel and feel that a sixteen-foot Boston Whaler, with a 35 horsepower engine, would best satisfy our needs.
